MEMORANDUM FOR: Director  
Federal Bureau of Investigation

ATTENTION : Intelligence Division

SUBJECT : Konstanty Zygfryd Hanff

REFERENCE : Your memorandum (CI-2) 105-293162, dated  
13 October 1977

1. In response to your query for information regarding any possible connection of Konstanty Zygfryd Hanff with the Polish intelligence services, the Department of Justice may be advised as follows:

No CIA source has identified Hanff as having any connection with any Polish intelligence service. On the contrary, sensitive liaison information dated 1976 and evaluated as reliable suggests that Hanff is viewed by Polish authorities as anti-regime and as a troublemaker.

2. For the FBI: For further information about Hanff, you are referred to the United States Air Force. CIA files contain document T57-25957 dated July 1957, received from ATIC, United States Air Force, Wright-Patterson Air Force Base, Ohio. This document reports information about Hanff which possibly is relevant to your research.
